Please anticipate your additional requirements and complete the enclosed forms at your earliest convenience. Return them to us promptly so that we may have the requested items delivered to your booth prior to your arrival. All orders must be accompanied with payment in full in order to be processed.

GENERAL INFORMATION

ALL SHIPMENTS must be channeled through the Official Drayage Contractor. The Facility **will not accept** any shipments.

STRAIGHT TIME RATES QUOTED ABOVE are for Monday through Friday 8:30 A.M. - 3:00 P.M. **OVERTIME** will be charged before 8:30 A.M. and after 3:00 P.M. on weekdays and on Saturday, Sunday, or Holidays.

RATES APPLY to each 100 lbs. or fraction thereof and are based on the actual or estimated **INBOUND** weight. No allowance will be made for attrition during the convention. Each shipment is considered separately. **NO** cumulative weights will be allowed on minimums, split shipments, etc.

BLUE CHIP EXPO IS NOT RESPONSIBLE for notifying an exhibitor if freight is not delivered to our warehouse or the exhibit facility.

SHIPMENTS OR EQUIPMENT REQUIRING SPECIAL HANDLING received at the convention facility will be subject to 50% surcharge in addition to the rates listed above. Shipments or equipment requiring special handling received at the advance warehouse will be subject to 100% surcharge in addition to the rates listed above. This classification shall be applied to, but not limited to, van shipments or shipments which are packed in such manner as to require unloading by hand (i.e. loose display parts, uncrated equipment not delivered on a flat bed truck, etc.). Material will be unloaded from vans, exhibitor's truck, or trucks of others at the convention facility, delivered to the exhibitor's booth, picked up at the close of the show, moved to the loading area and reloaded on trucks. It is incumbent for the exhibitor to provide written and accurate weight information on each shipment. Shipments received without receipts or freight bills such as UPS or U.S. Mail will be delivered to the booth without guarantee of piece count or condition. No liability will be assumed for such shipments.

SPECIAL SERVICE AND RATES - Steel banding for the packing of displays and equipment is available at the Drayage Contractors service desk for \$20.00 per pallet, crate, etc. Shrink wrapping of display material is available at \$20 per pallet.

COLLECT SHIPMENTS may be refused or accepted at the option of the Official Drayage Contractor. In cases where the Drayage Contractor elects to receive such shipments, the responsible exhibitor or shipper will be notified immediately and payment in full for all charges due must be wired to the Drayage Contractor within 24 hours. A twenty five percent (25%) special service surcharge will be added to the freight bill for handling any consignments under these conditions. A \$20.00 **MINIMUM** fee will apply to this service.

HAULING TO OR FROM LOCAL FACILITIES will be charged at prevailing hourly rates. In addition, appropriate cwt. charges for services rendered in accordance with the above rate schedule will be applied.

INBOUND AND OUTBOUND TRAFFIC SCHEDULES are the responsibility of the Official Drayage Contractor. To assure orderly and expeditious handling of exhibit material into and out of the convention hall, it is suggested that exhibitors, including local companies, clear all movement of exhibit material through the Drayage Contractor, who is prepared to handle local pickups and deliveries on a coordinated schedule. It is also recommended that in order to minimize congestion, all shipments be channeled through the Official Drayage Contractor.

EMPTY CONTAINER STORAGE - Blue Chip Expo assumes no responsibility for valuables stored in containers removed to storage area.

BLUE CHIP EXPO PRIMARILY USES THE FOLLOWING CARRIERS FOR OUTBOUND FREIGHT: Roadway for ground freight along with Nations Express for air freight shipment. Should you choose an alternate carrier (the exhibitor is responsible for making all arrangements for alternate carriers), they must arrive at the facility for loading by the time Blue Chip Expo clears everything off the exhibit floor. Otherwise Blue Chip Expo reserves the right to ship by one of our primary carriers or our selected carriers for the event.

OUTBOUND SHIPPING INSTRUCTIONS should be given to the Official Drayage Contractor at the Convention Center Service area during the Exposition or immediately after its close. If outbound shipping information is available prior to show commencement, forward instructions to the Drayage Contractor. All bills of lading and shipping instructions covering outbound shipments will be checked at the time of actual loading and corrections made where discrepancies exist. Freight remaining on the exhibit floor without proper instructions for disposition will be removed by the Drayage Contractor and shipped with the information available at the time. Under no circumstances will the Drayage Contractor be liable for shipping errors subsequent to the convention unless it has received specific written instructions and has failed to honor them. All shipments should be scheduled for pick-up directly from the show site. Additional handling charges (Minimum \$70) will be applied to all shipments returned to the Blue Chip Expo warehouse.

DAMAGE TO EXHIBITS while they are being loaded, unloaded or conveyed to the various booths or common carrier by the Drayage Contractor will be its responsibility. The Drayage Contractor **WILL NOT** be responsible for damage to materials improperly packed, concealed damage, loss or theft of exhibitor's materials after same have been delivered to the booth, or before materials have been picked up for loading out of the booth. In any case, the liability of the Drayage Contractor is limited to \$.10 per pound/per article, with a maximum of \$50.00 per item, and a maximum of \$1,000.00 per shipment. The shipper is encouraged to make arrangements with its insurance carrier if values of articles or shipments are in excess of those stated above.

INSURANCE - Exhibitors are urged to carry all-risk floater insurance covering their materials against damage, loss, theft and all hazards from the time shipment is made prior to the show until shipments are returned after the show.

EXHIBITS TO BE STORED will be charged at a minimum monthly rate of \$125.00 or a rate of \$12.50 cwt. per month or fraction thereof. No charge will be made for inbound shipments when received 14 days prior to the show.

CALCULATION OF DRAYAGE CHARGES

There is a minimum charge of \$148.00 for each shipment of 200 pounds or less. Please use the following formula to calculate charges for shipments over 200 pounds. Shipment weights are rounded up to the next 100 pounds for calculating charges. (Examples: a 342 pound shipment would be charged at a rate of 4 x \$74 or \$296.00; a 528 pound shipment would be charged at a rate of 6 x \$74 or \$444.00)

_____ LBS. rounded up to next 100 _____ Divided by 100 = _____
x \$74.00 = _____

Weight of shipment = 437 pounds calculated as follows:

_____ 500 _____ LBS Divided by 100 = _____ 5 _____ x \$74.00 = _____ \$370.00

Please note: Each shipment is charged individually so it is most economical to attempt to ship all materials on one shipment. For multiple shipments use a copy of the original for each shipment.
